

Major Key Prophecies to Watch (Caravan to Midnight #4)

Fred R. Coulter with moderator Brandy Wells—July 16, 2024

[transcript begins after short intro]

Introduction by moderator:

Pastor Fred has a ministry spanning 60 years. WOW, 60 years of ministry; that is something to really be proud of.

Pastor Fred is on a God-inspired mission to preserve the Truth of God for the next generation of faithful Christians. As forces of Godless evil are suddenly working behind the scenes in religion, government, education and economics, secular liberal, new age satanic forces are fast at work corrupting the fundamental Truths of the Bible and destroying Godly morality.

Prominent atheists, especially in America and the United Kingdom, have mounted bitter assaults against God and the Bible. Even the Scriptures themselves are no longer held as sacred, but have been thoroughly violated in the rush to produce so-called modern gender-neutral translations.

In fact, Christianity itself is in a moral retreat, the result of widespread doctrinal confusion and a growing willingness to compromise Biblical principle with popular culture and humanism or transhumanism.

It is against this backdrop that Pastor Fred Coulter has worked as a minister, author and publisher to produce:

- 15 books
- an abundance of booklets and papers
- thousands of audios and video sermons
- hundreds of half-hour video segments for Church at Home {[churchathome.org](https://www.churchathome.org)}, covering basic Bible topics and questions
- over 60 in-depth sermon transcripts (books), compilations all designed to safeguard the true Doctrines of Jesus Christ, as well as the Scriptures themselves

{<https://www.cbeg.org/caravan.html>}

But I think what is most remarkable is the fact that he literally translated the entire New Testament from the Dead Sea Scrolls, and the original Scriptures in Greek. He did not translate from another translation, he went directly to the source and meticulously translated word for word what he read in the original text that was left for us, for the remnant. He then went and made audio tapes

of this as well. So you can find this by going to [afaithfulversion.org](https://www.afaithfulversion.org).

I am so excited to hear Pastor Fred Coulter's message tonight. So as a result, we are bringing him straight on so he can deliver his message. Pastor Fred, are you there?

FRED: *I'm here all ready to go!*

Moderator: Oh, that is absolutely wonderful. Well, I'm going to start with this very question and let you just take it away.

FRED: *All right!*

Moderator: What are the Biblical parallels and the attempted assassination of Donald Trump? I mean, how are you witnessing that event playing out in prophecy, the implications, the prophetic meaning?

Then: all this email that I have received recently about him receiving a head-wound and that now somehow makes him 'the antichrist'?

FRED: Oh, you're (inaudible) saying that Donald Trump is the antichrist?

Moderator: Yeah, because of the head-wound. Well, #1 it wasn't really a head-wound. He was hit in the ear and it wasn't a fatal wound. But somehow this is being translated, and I have seen these messages come through. So, I would just really want to have your take on that.

FRED: That's completely false because don't looking at Rev. 11, which is a prophecy yet to be fulfilled in the future. Donald Trump was saved by an angel of God—and he well knows it—and he gives God thanks for saving him.

Now, when you look carefully at those pictures again of the shooting—which you'll probably see over and over and over again—they talk about the fact that his head was turned a different way and that's why it hit his ear and not the middle of his head.

Well, you have to watch it several times and you will see that there's a sudden movement of his head that he didn't make himself, but was done and that's when the bullet passed by and went through the top of his ear.

Moderator: I agree!

FRED: That's a fantastic picture to see where they actually captured the bullet after it passed through his ear. So, that had to be *an angel of God to protect him* because Donald Trump is absolutely anything but a servant of Satan.

He honors God in a way that he does and at the convention that's going on right now, there's evidence of a lot of people:

- recognizing God
- asking for His blessing
- asking for His help

So, we need to look at it this way: *There's a reason that God kept Donald Trump alive!*

Moderator: I totally agree with that.

FRED: Yes, absolutely! *That's the hand of God through an angel!* It can't be anything else! If it went the other way, his head would have been blown off

Moderator: And this country would have been in a huge and terrible place if that had happened. So, I can see the hand of the Lord there. But can you just take us through:

- What does the end-times mean?
- Are we in the end-times?
- How do you see prophecy playing out in the next year leading up to the election?

FRED: Well, let's look at some prophecies. First of all, let's look at how God dealt with Peter and rescuing him out of prison. Then we will get to how there are Scriptural parallels between what is happening with Donald Trump and what is happening in America.

We find in Acts 5 that Peter was put in prison and he was in prison and they had eight guards guarding him and what happened was: an angel came and the guards were asleep. He came at night and here's what it said:

Acts 12:6: "Now, when Herod was about to bring him out, during the night..."

Now he [Herod] was going to take Peter out and kill him the next morning.

"...during that night Peter was sleeping between two soldiers, bound with two chains; and guards *standing* before the door were keeping the prison. But suddenly an angel of *the* Lord stood by *him*, and a light shined in the building. And after striking Peter on the side, he roused him, saying, 'Get up! Hurry!' And the chains fell off *his* hands.

And the angel said to him, 'Put on your clothes and fasten your sandals.' And he did so. And he said to him, 'Wrap your cloak around *you* and follow me.' And he followed him, going forth, **but did not realize that this was really happening by the hand of the angel;** rather, he thought he was seeing a vision" (vs 6-9).

This tells us a lot! Many times God does things that we don't even recognize that He's doing it.

I could look back on my life and I can see there were four distinct times that God saved me from death, and that had to be God's intervention to do it. Each one is a little different case.

So anyway, the angel got him out, they went through all the guards and then the angel took him out and said, 'Go!' Peter went over to John Mark's house and he finally got in after knocking on the door and he explained to them what had happened and then he left to go to another place.

Well, that other place that he went to was Babylon, because as an escapee out of a Roman prison he couldn't stay anywhere within the confines of the Roman Empire, because he would have been arrested and killed.

So, he went as the apostle to the circumcision to the Jews in Babylon and that's why we have in the First Epistle of Peter that Mark—who was his assistant—said the Church in Babylon salutes you.

Now let's look at a situation here with what is happening in America. Now we need to come to 2-Kings 21; this is why we need to understand the Old Testament, because there are things for us to learn from the Old Testament that we need to look at today because the same things are happening. The world is all in commotion and confusion, and we'll cover that a little bit later. But here in America we need to understand. I'll just mention this at this time before we get to 2-Kings 21 that we have two things to special offer:

Go to this website: <https://www.cbcb.org/caravan.html> and we will send you a book about the ten tribes of Israel—*America and Britain: Two Nations that Changed the World*—because people don't know today. But America is one of the main nations of the lost ten tribes of the children of Israel:

- that's why we've been blessed
- that's why we're such a country
- that's why we have had the wealth
- that's why we have had these things

But the lesson is this: ***Whenever people turn their back on God it's going to bring difficulties and penalties!***

So, we see and look at what had been happening leading up to the time that Biden got into office, and everything has become more and more satanic! Not just sinful—*satanic!*

There was a time like that in Judah with the king called Manasseh, and he was something! Everything turned upside down just like it is today:

- lawlessness
- killing
- sacrificing children
- idols
- graven images
- rejecting God

Moderator: A typical satan move!

FRED: That's right! What that was the king called Manasseh, and he was one of the most evil kings in all the history of Judah. He caused great sin and here's what he did:

Right in the house of God after worshipping the host of heaven:

2-Kings 21:4: "And he built altars in the house of the LORD of which the LORD said, 'In Jerusalem I will put My name.'" ***Blaspheming God direct to His face!***

Verse 5: "Then he built altars for all the host of the heavens in the two courts of the house of the LORD."

- look at how many false religions are coming around
- look at how many false prophets there are
- look at what is happening letting in all of the all of the hateful Muslims that are in here to destroy us

Then it goes on to say:

Verse 6: And he made his son pass through the fire... [now that's getting close to child sacrifice] ...and observed times and used witchcraft. And he dealt with **familiar spirits** and wizards. He worked much wickedness in the sight of the LORD to provoke *Him* to anger. And he set a graven image of the grove, which he had made in the house of which the LORD had said to David and to Solomon his son, 'In this house, and in Jerusalem, which I have chosen out of all the tribes of Israel, **I will put My name forever**'" (vs 6-7).

(inaudible) But they didn't repent!

Verse 9: "But they did not hearken... [the

people didn't; Manasseh didn't] ...And Manasseh seduced them to do more evil than the nations ever did whom the LORD destroyed before the children of Israel" (vs 9-10).

Verse 11: "And the LORD spoke by His servants the prophets, saying, 'Because Manasseh king of Judah has done these abominations, doing more wickedly than all that the Amorites did, who were before him, and has made Judah also to sin with his idols, therefore, thus says the LORD God of Israel, "Behold, I *am* bringing evil upon Jerusalem and Judah, so that whoever hears of it both his ears shall tingle'" (vs 11-12).

So, what we've been suffering under up to this point is the result of a lot of sin! A lot of sin! Violent things!

Moderator: We are lining up for a break now I just want to say that email address again for the special that you have it is **usa@truthofGod.org**; so people just go and send an email there and you will send them the special.
{**<https://www.cbeg.org/caravan.html>**}

FRED: Yes! That will be 4 books!

Moderator: Okay, and that's free of charge!

FRED: Free of charge, no cost, no follow up.

Moderator: We are back with Pastor Fred Coulter, continuing on our topic tonight which is *Major Key Prophecies to Watch*.

Pastor Coulter, I have a question I would really like for you to pick up where we left off, but I saw a couple of comments in the chat, and we're wondering what is a 'familiar spirit'?

FRED: A familiar spirit is a *demon spirit!* There are many demons:

Some demons come nice, friendly, and those who are the ones that white witches are in-connected with. A familiar spirit can be evil leading people to do evil things. As you read in the Old Testament offering children to the god Molech to be burned in the fire; child sacrifice and satan worship.

So, what we're looking at today is exactly what we covered concerning King Manasseh back there in Judah in ancient times. They were doing the very same things. We call it today 'wokeism'! They also had all of the deviant sex practices! So, *there's nothing new under the sun!* But in relationship to that and Donald Trump—and a good portion of the people in America—they see that they have left God, and they need to get back to God! But we'll cover that in just a bit.

One of the kings after Manasseh was Josiah. What he did when he heard the Law read to him, here's what he did:

2-Kings 23:1: Then the king sent *a summons*, and they gathered to him all the elders of Judah and of Jerusalem. And the king went up into the house of the LORD. And all the men of Judah and all the people of Jerusalem with him, and the priests and the prophets, and all the people, from the small even to the great. And he read all the words of the Book of the Covenant, which was found in the house of the LORD in their ears. And the king stood by the pillar and made a covenant before the LORD to walk after the LORD and to keep His commandments and His testimonies and His statutes with all *his* heart and all *his* soul, to perform the words of this covenant, which was written in this book. And all the people stood to the covenant" (vs 1-3).

Now, in similar matter Donald Trump is going to bring law and order back to the nation with the cooperation of the people, ***but the people also have to change their behavior; they've got to change what they are doing!***

God has put the civil governments in there (Rom.13) that they are there to go against the wicked; to take care of them and to protect the innocent people in this society.

Now, nations go through different things, and when they get to a certain point of giving themselves over to evil and satanism, wicked spirits, deviate sex practices and all of that sort of thing.

We can say today, we can add all that in with all the multitude of sports that people have today; those are all some of their idols and the gods that they have in their own mind. But let's look and see what God is doing because:

- God is active in the world
- He is judging all nations
- He's judging all people; all of our conduct
- God knows what it is
- He knows every hair on our head

So, here we find in the book of Jeremiah... This is very important, because it's talking to the house of Israel. God told Jeremiah:

Jeremiah 18:1: "The Word, which came to Jeremiah from the LORD, saying, 'Arise and **go down to the potter's house**, and there I will cause you to hear My words'" (vs 1-2)—*I will teach you a lesson!*

Verse 5: "Then the Word of the LORD came to me, saying, '**O house of Israel**...'" (vs 5-6)—

that's like saying America today!

You hear it the convention going on; I've been watching it for yesterday and today and these people are returning to God in a very definite way. Now, it's not returning to God for eternal salvation, but turning to God to have a decent society and God will recognize that. There are two things:

- there's what society does
- there is a spiritual calling

A spiritual calling, which in the New Testament is ***a calling of God!*** So, I can save that for another message another time. But here He [the LORD] says:

Verse 6: "O house of Israel, can I not do with you *even* as this potter?" says the LORD. 'Behold, as the clay is in the potter's hands, *so are you in My hand, O house of Israel.*'" *That shows God is interested in everything that goes on!*

- He knows even when a sparrow falls
- He knows how many hairs are on our head
- He knows what we think

Anytime He wants to know what he/she thinks God can tap into us and He will know.

Here's what He says concerning nations and this is what is important and what we're looking at with the election coming up. This is what we're looking at with all of the evil that's been perpetrated by the Democrats and by Biden himself in bringing all of this evil.

Biden even said concerning Trump that there's 'a target on his back'! He is responsible for the violence that was brought against Donald Trump.

Now look at what God says concerning the nation it says here:

Verse 7: "If at any time I [God] shall speak concerning a nation, and concerning a kingdom, to pluck it up and to pull it down, and to destroy *it*."

Think about all the civilizations that have crashed down; all of them who for their own wickedness disappeared from history. you have it in:

- Asia
- the Middle East
- Mexico
- Peru

All of those nations got into *direct satan worship and human sacrifice!*

People might say we're not sacrificing humans today. You're wrong! We are! That is called today ***abortion! That is the killing and sacrificing of human life in the mother's womb!***

Moderator: What about all these kids that are being trafficked across the border. I mean, the horrific stories that's coming out! Dirty diapers found in tunnels in New York. I mean, these are real, no-kidding. *satan worshiping child sacrificing of Babylonians of old!* Am I reading this incorrectly. Because this looks to me like the same battle of the seeds that dates back to the Garden of Eden.

FRED: That's right! You have that exactly correct! God has given His Laws for our good and every pastor or priest or a pope who stands up and says that:

- you don't have to keep the Law of God
- you don't have to do what God says
- you do what we tell you because it's our tradition

That is absolutely wrong!

Jesus Himself said, 'Man... [that means every man woman and child] ...shall not live by bread alone... [that is by food] ...but by every word that proceeds out of the mouth of God.'

God also judges nations as to how they at least do it in *the letter of the Law!* What He says here concerning this and this is why we have all the problems that we have. Also, we know from back here in:

Mark 4:22 "For there is nothing hidden that shall not be made manifest; nor has any secret thing taken place, but that it should come to light. **If anyone has ears to hear, let him hear**" (vs 22-23)

So, if anyone out there thinks they can ignore the Word of God and cast it aside, or they can say that whoever follows it is a 'religious nut,' then what you're doing ***you're accusing God,*** because God's Laws are:

- for good
- for happiness
- for stability with the family
- for all of the things that people want

Jer. 18—How God looks at nations and God is looking at America now God is looking at all the ten tribes of Israel

- What are they doing?
- Are they coming to God?
- Are they coming to God in reality?
- What is it that they're going to do?

Sooner or later if these things are not taken care of then terrible things are going to come. So, God says here:

Jeremiah 18:7: "**If** at any time I shall speak concerning a nation, and concerning a kingdom, to pluck it up and to pull it down, and to destroy *it,*" *We're right on the verge of that right now!*

Verse 8: "**If** that nation, against whom I have spoken, **will turn from their evil...**"

- they've got to change their behavior
- they've got to stop their lawlessness
- they've got to stop their killing of the unborn
- they've got to stop trafficking children
- they've got to stop all of the sex perversions that are going on

God says ***IF*** they:

"...will turn from their evil, I will repent of the evil that I thought to do to them" (v 8).

Know this for sure: every nation that has collapsed and gone into the dust has done so **because of God's judgment against them for their sins, and for their open satan worship!**

Verse 8: "**IF** that nation, against whom I have spoken, **will turn from their evil, I will repent of the evil that I thought to do to them.**"

So, let's see how far this will go. Let's see how far Donald Trump is going to help take the nation back to law and order, and back to loving each other.

There was a lot of talk about God bless America, God bless this and that and loving each other. Well, let's see if there's going to be some action; let's see if there's going to be some action in the pulpits where they're going back to God the way that they should; rather than the silly little prayers that they offer up to try and avoid getting in into terrible situations. ***That won't save them!***

Verse 9: "And ***if*** at any time I shall speak concerning a nation, and concerning a kingdom, to build it and to plant *it;* ***IF*** it does evil in My sight, that it not obey My voice, **THEN** I will repent of the good with which I said I would do them good. Now, therefore, speak to the men of Judah... [Israel] ...and to the people of Jerusalem, saying..." (vs 9-11).

This is the message to America today that we're right on the brink of this today, *because of our sins because of everything that is going on!* ***The nation has just given itself over to sin!***

Verse 11: "Now, therefore, speak to the men of Judah, and to the people of Jerusalem, saying, "Thus says the LORD, '**Behold, I am forming evil against you, and devising a plan against you. Return now, each one from his evil way, and make your ways and your doings good.**'" *That's*

what God wants!

Moderator: That is speaking to every individual this is not just looking at Trump, but this is talking about I mean this goes back to 2-Chron. ***‘If My people who are called by My name...’*** So, every one of us ***‘shall humble themselves and pray and seek My face and turn from their wicked ways, I’ll hear from heaven and heal their land!’***

This is a charge for every believer every blood born saint of God, every Israelite and every grafted into the vine, every Christian. ***IF*** you fall on your knees, turn from evil, God will respond. Is that what you’re saying?

FRED: Yes, that’s right and turning from the evil, one of the first things they need to do is they need to think about the Sunday-keeping, because that’s not in the Bible. That’s never authorized by God, and everybody who’s following the dictates of the Roman Catholic Church. The Roman Catholic Church, though there are a lot of people who are considered good Catholics and they try to do good things; ***but they don’t follow the Bible very much at all!***

No man can change the Law of God and say ‘this is to do,’ because what’ll happen is one sin leads to another sin. Let’s look at this again back in Deut. 8 because this tells us something.

I want everyone out there to understand that when a minister tells you, ‘You don’t need to pay any attention to the things in the Old Testament, ***don’t pay any attention to them, because all of these things were given to us***—as Paul wrote—***as examples of what we need to do and what we shouldn’t do!***

Let’s see what God says to Israel and how He wanted to bless them and even though they went through the wilderness 40 years before they went to the ‘promised land.’ Here’s what He says to them; now think about this:

Deut. 8:1—I recommend everyone do this everywhere you find the word ‘ALL’ circle it in your Bible and everywhere you find the word ***IF*** circle that, because there are conditions, there are choices set before us and so here are the choices that God sets before us. *Here God is saying:*

- I want to bless you
- I want you to thrive
- I want you to be happy
- I want you to be prosperous

Deuteronomy 8:1: ***“ALL the Commandments, which I command you this day, shall you be diligent to observe and to do*** that you

may live and multiply and go in and possess the land, which the LORD swore to your fathers.”

Look at the great country that we have now, ***but look how it’s all being taken down because of sin!***

Verse 2: “And you shall remember all the way, which the LORD your God led you these forty years in the wilderness in order to humble you, to prove you, to know what is in your heart, whether you would keep His commandments or not.”

That’s the whole lesson of life! Will we humble ourselves. I think Donald Trump had been really humbled. I mean he’s saying that at the Republican Convention. When they were talking last night I saw they ran the camera on him several times and it was all he could do to hold back the tears.

- he was thankful
- he was repentant
- he was humble

So, that was quite an experience for Donald Trump. May he be like Josiah the king and help bring some stability to the land for space of time and I think that’s going to happen.

Now then, why does God put us through things whatever the trial may be in your life. I’ve had trials, you’ve had trials; you had those down in South Africa. You almost lost your life, you almost bled to death. You know what that is like.

Verse 3: “And He humbled you and allowed you to hunger, and then He fed you with manna, which you did not know, neither did your fathers know *it*, so that He might make you know...”

Here is the quote in the Old Testament that Jesus quoted in the New Testament:

“...that man does not live by bread alone; but by every *word* that proceeds out of the mouth of the LORD does man live.... [then He says, ‘now listen’]: ...Your clothing did not wear out on you, nor did your foot swell these forty years. And you shall consider in your heart...” (vs 3-5).

In other words, we need to make the right choices and when difficulties and problems come those are things that will help bring us back to God.

Verse 5: “And you shall consider in your heart that as a man chastens his son, *so* the LORD your God chastens you. And you shall keep the commandments of the LORD your God to walk in His ways and to fear Him” (vs 5-6).

Now think about this for all of you who think the Law is done away with you go to:

Psalm 19:7—*David said: “**The Law of the LORD is perfect...**” So why would you want to get rid of it!*

Moderator: Amen! Well, pastor, you have:

- moral law
- sacrificial law
- physical law

Every Law that God gave His children was to benefit them and to keep them healthy. There was a reason for the Laws that He set out. And Jesus came to fulfill the Law, not to do away with it!

He fulfilled the sacrificial Law, but the moral Law and the physical Law still stands, because if you break that there are still consequences and people forget that.

FRED: That’s right, as Jesus says to fulfill actually means *to complete!*

Moderator: Amen! It was a finished work

FRED: He came to magnify the Law and make it Holy, make it honorable, make it glorious!

Moderator: Didn’t He just do that when He rose from the dead?

We are hitting up for a break, so I don’t want you to lose your spot there, because I want to finish that and then go into the key prophecies to watch out for in the time that we are alive in today. But thank you so much for your wisdom.

We are back live with Pastor Fred Coulter on major key Biblical prophecies to watch in this day and age! So, can you take us away and talk about:

- What prophecies do we look out for?
- What does it mean?
- If we look around us how do we relate that back to Scripture?

FRED: Okay that’s good but let me just finish where we left off last time. God says:

Deuteronomy 8:7: “For the LORD your God brings you into a good land, a land of brooks of water, of fountains and depths that spring out of valleys and hills, a land of wheat and barley and vines and fig trees and pomegranates, a land of olive oil and honey, a land in which you shall eat bread without scarceness. You shall not lack any *thing* in it. *It is* a land whose stones are iron, and out of whose hills you may dig copper” (vs 7-9).

Then He gives a warning and this is where we are today; this is what is happening in America, which is also a prophecy, **a key prophecy for today**, that we need to keep in mind:

Verse 10: “When you have eaten and are full, then you shall bless the LORD your God for the good land, which He has given you.”

Now we’re doing just the opposite! Too many people are kicking out God, they don’t want God they want evil they want sex perversion they got all of the things **that God says don’t do!** So He says:

Verse 11: “**Beware that you do not forget the LORD your God by not keeping His commandments**, and His judgments, and His statutes, which I command you today, lest *when* you have eaten and are full and have built goodly houses and lived in *them*” (vs 11-12).

That’s talking about us right today! That’s a prophecy given 3500 years ago **for us!**

Verse 13: “And **WHEN** your herds and your flocks multiply, and your silver and your gold is multiplied, and all that you have is multiplied, **THEN** you become haughty of heart...” (vs 13-14). *That’s what we have become!*

“...and you forget the LORD your God Who brought you forth out of the land of Egypt...” (v 14)—*or brought you forth out of whatever your circumstances were!*

Now let’s look at some other prophecies beginning in Matt. 24. These prophecies are things that we can see today, *and I want to emphasize that these prophecies are made for TODAY!* It starts right with Jesus telling the disciples what would happen to the temple and then brings us all the way down *almost to the point of His second return!* So, this is a very important chapter:

Matthew 24:1: “And after going out, Jesus departed from the temple; and His disciples came to *Him* to point out the buildings of the temple. But Jesus said to them, ‘Do you not see all these things? **Truly I say to you, there shall not be left here even a stone upon a stone that shall not be thrown down**’” (vs 1-2).

That is true! What they are looking at is the Mosque of Omar and saying that was the temple area, **but it wasn’t!** That was the Roman Fort Antonia, and it contained 5,000 Roman troops and 5,000 support personnel, and that was Roman property.

*That had nothing to do with the temple! **The temple was 600 feet to the south of that***, and there is

nothing except a few buildings and things like that right today.

Verse 3: “And as He was sitting on the Mount of Olives, His disciples came to Him alone, saying, ‘Tell us, when shall these things be? And what *shall be* the sign of Your coming, and of the completion of the age?’ Then Jesus answered *and* said to them, **‘Be on guard, so that no one deceives you’**” (vs 3-4).

Boy, that’s the thing for us today, because everyone is out with a song and a dance and a prophecy, and this and that, and:

- they don’t know the Bible
- they don’t understand prophecy
- they don’t understand the Laws and Commandments of God

and yet, they speak in the name of the Lord!

Everyone who follows the things that are not in the Bible, or things that are said to be in the ***Bible but are misinterpretations***, you’re going to find yourselves getting in trouble!

Verse 5: “For many shall come in My name, saying, ‘I am the Christ’; **and they shall deceive many.**”

Then He says, v 6; *now listen to this; this is today:*

Verse 6: “And you shall hear of wars and rumors of wars.... [Isn’t that what we hear of right now?] ...See *that* you do not let *these things* disturb you. **For it is necessary that all these things take place, but the end is not yet. For nation shall rise against nation...**” (vs 6-7).

We’ve seen that over and over and over again! The prophecies that I’m reading here right now come in cycles, and they repeat and they repeat and they repeat ***until we get down to the time of the end!***

“...and kingdom against kingdom; and there shall be famines and pestilences and earthquakes in *different* places. Now, all these *things are* the beginning of sorrows. **Then shall they deliver you up to affliction, and shall kill you...**” (vs 7-9).

Now we had a lot of that in the 1st century; Christians being martyred! In the Middle Ages we had it there was Rome slaughtering all the Christians who believed in the Word of God and didn’t recognize the pope!

Moderator: We are back, please pick up where you left off.

FRED: Very good; thank you! What you can realize is that we are living in Biblical times and we are getting right into the fringe of the last days and all of these things have been taking place.

Then Jesus says, v 10: And then shall many be led into sin, and shall betray one another, and shall hate one another.”

Look at what we have, hatred everywhere, betraying one another!

Verse 11: “And **many false prophets shall arise, and shall deceive many**”—*the majority of the people!*

Verse 12: “And because **lawlessness...**”

Because of all of these things accumulated in the verses above come together and then all end up in lawlessness! That’s what’s been plaguing the whole nation:

- in churches
- in governments
- in states
- in cities

lawlessness abounds!

“...shall be multiplied, the love of many shall grow cold. But the one who endures to *the end*, that one shall be saved” (vs 12-13).

Verse 14 is something that that is in the process of being fulfilled in various ways:

Verse 14: “And this Gospel of the Kingdom shall be proclaimed in all the world for a witness to **all nations...**”—*every nation!* What God’s Word applies to is ***all nations, every person!***

“...and **then shall the end come**” (v 14).

Now here is a key prophecy and I want you to note a key word and I want you to focus in on what it says:

Verse 15: “Therefore, **when you see...**”

It doesn’t say ***when you hear of or when you read of***; it says “...**when you see...**”! Now I want you to think about our instant communication that we have today:

How quickly did it take us to find out about the attempted assassination of Donald Trump? ***We knew instantly! We had pictures showing the whole thing right away!***

So, this is talking in the same way. This is a prophecy for today, because this event that we are to look at and to see has not yet happened, but when it happens ***know for sure that we are close to the very end!***

Verse 15: “Therefore, **when you see the abomination of desolation**, which was spoken of by Daniel the Prophet, **standing in the Holy Place.**”

Now here’s the conundrum: The temple in 70_{A.D.} was destroyed; *no stone left upon another!* So this tells us that **there must be another temple**, because this is at the end-time!

Here’s the conundrum: “...standing in the Holy Place” then we have a parenthetical statement so you check this out in your Bible:

“...(The one who reads, let him understand.)” (v 15).

Jesus didn’t say those words! Those were put in there **by the Apostle John** when he was finally making the final canonization of the New Testament. Why did John put those in there? Because in Rev. 11, which John was told to write about. It says to measure the temple and the court and the things that are there, and also there would be two witnesses; now we’ll cover that a little later.

But there’s going to come another temple and the Jews are right in the middle of preparing for it. You go to **templeinstitute.org** and you can see how much they have ready to go.

Then when it actually comes; but he says: v 15: “Therefore, **when you see** the abomination of desolation...”

What is the abomination that makes desolate? We find out in:

2-Thess. 2, and that’s why it’s not Donald Trump; *because there’s no temple* it’s yet to be built and the Jews are doing all they can to get ready to get it built. and they will build it. because it’s prophesied that they will! **There has to be the abomination of desolation** that that comes in there, and that comes in right at the time that what we have heard of many times over the Great Tribulation!

So, there’s going to be a time of peace leading up to the building of the temple, but know this for sure: **WHEN** we see the Jews lay the cornerstone for the temple, we’re right at the door of the end. I’ll bring out that in a little bit, a little further

Moderator: I think we are very close to that, Pastor. I’ve even wondered if this whole war in Israel hasn’t been contrived for this very reason to blow up that dome, so that they can build their temple!

FRED: Well, they won’t build it there; that’s not where the temple was.

Moderator: Oh really! Okay!

FRED: Oh no, *no, no, no!* That’s where Fort Antonia was. See, Jesus said **there wouldn’t be one stone upon another!** Where the Mosque of Omar is sitting there on what? Stones! *One stone right another!*

The third temple has to be built, and when it’s built then there’s going to be a great commotion by the King of the South—that is an Arab nation—coming against the King of the North, a revitalized Europe, which we’re seeing beginning to develop now! That’s going to come on the scene and look like a great and wonderful thing.

Out of that will come the Beast Power, and the leading man of that is the **beast of Rev. 13**; that he’s seen here in 2-Thess. 2 what he’s going to do in entering into the temple in Jerusalem:

- he will come down with armies
- he will take over Egypt
- he will go into the Holy Land
- he will be confronted by the two witnesses
- the pope will declare that he [the beast] is ‘God in the flesh’
- he will go into the temple, **and that will be the abomination of desolation**

Let me read it to you:

2-Thessalonians 2:3—Paul says: “Do not let anyone deceive you by any means because *that day will not* come unless the apostasy shall come first, and the man of sin shall be revealed—the son of perdition.”

That’s not Donald Trump! That’s only hateful speech by people who don’t like him. This is going to be a great leader, one of the heads of the of the seven heads and ten horns of Rev. 13.

Verse 4: “The one who opposes and exalts himself above all that is called God, or that is an object of worship; so that he comes into the Temple of God and sits down as God, **proclaiming that he himself is God.**”

Now that never happened when the temple was destroyed in 70_{A.D.} That is yet to happen!

- we need to see Europe rise, which is starting
- we need to see America come down, which there may be a respite for giving us a few more years without being totally brought down

So watch Europe and watch the leaders!

Now this tells us what he [the beast] does: “...[he] opposes and exalts himself above all that is called God, or that is an object of worship; so that he comes into the Temple of God...” (v 4).

So, since it didn't happen back in 70_{A.D.}—this was written by Paul—and John had the vision that he saw the temple and was told to measure it, then this Scripture tells us what's going to happen when that temple is built and the abomination of desolation is described right here.

Verse 5: “Do you not remember that when I was still with you, I told you these things? And now you understand what is holding *him* back in order for him to be revealed in his own set time” (vs 5-6).

There's a time in prophecy that will be manifest. Remember what we saw back there in Matt. 24 “...**when you see...**”! So, this event is going to be on television everywhere in the world; the whole world is going to see this! There's going to be no doubt about it!

So, we need to understand how great and powerful and meaningful that the prophecies of God are!

Verse 7: “**For the mystery of lawlessness is already working...**”—*but God is holding that back!*

Verse 8: “And then the lawless one will be revealed (whom the Lord will consume with the breath of His mouth, and will destroy with the brightness of His coming).”

That's Jesus' second return, and you can see this destruction spoken here, shown it's fulfillment in the prophecy of Rev. 19!

Moderator: So, are you saying that when we see this immediately after Jesus will return?

FRED: *No! Shortly after!* It'll be at three and a half-year space. In that three and a half-year space will come the Great Tribulation and other things! At the end-time there are a lot of prophecies that focus in on the center of the returning of Jesus Christ. *It's like a lot of spokes in a wheel coming into the axle and this is just one part of it!*

Verse 9: “*Even the one whose coming is according to the inner working of Satan, with all power and signs and lying wonders.*”

That's going to be an amazing thing to take place, and there will be the *false prophet* with him, being able to call fire down from heaven! There are going to be great signs and wonders done by him and people are going to say, ‘Oh yes, this is the messiah! **NO! This is Satan's last stand!**

Moderator: But it's the Jews who believe he's the messiah; am I correct it the Jews who will believe he is the messiah.

FRED: Yes, it will the Jews who will believe he's the messiah, right at first, that's correct.

But the two witnesses will be saying, ‘No, he's not the Messiah.’

Verse 9: “*Even the one whose coming is according to the inner working of Satan...* [Satan is inside of him working] ...with all power and signs and lying wonders, and with all deceivableness of unrighteousness in those who are perishing **because they did not receive the love of the Truth, so that they might be saved**” (vs 9-10).

- How many people today love the Truth of God?
- How many today really love God?
- How many today keep His Commandments?
- How many today really know that Jesus is the Savior?

Moderator: So many have fallen away!

FRED: Let me mention about the things that we are offering so that you understand what we are doing: We are sending you books—not pamphlets—we have e-mail: **thespecial@Truth of God.org**

- The Holy Bible In Its Original Order, A Faithful Version
- America and Britain
- Why Were You Born?
- Lord What Should I Do?
- Occult Holidays or God's Holy Days—Which?

These things are important for you to have now!

The book *America and Britain: Their Biblical Origin and Their Prophetic Destiny* shows that the Jews in Jerusalem are not the twelve tribes; they're only one tribe and with the Levites and some priests with them.

So you need to know who we [America and Britain] are, and that will open your mind to Bible prophecies

Now let's come back here to 2-Thess. Where...

Moderator: We're also ruled by a crowd that are pretending to be Jews and they are not; they are imposters. We know that, as well. So, we need to make that big distinguishing factor, because at the end of the day the people that are in charge of Jerusalem right now are not are not real Jews they are fake Jews.

FRED: Well there's other questions in there. There are probably a lot of real Jews there in addition to the... because people don't realize that the Khazarian Jews were mostly genetic Jews because they were in exile in that area.

Moderator: But they also read the Talmud.

FRED: That's another whole thing because... yeah that's what I'm telling you. All of those different religions and organizations that run the world, the elite, not just the Jews, but they say that they are Jews.

In other words, they say that they are the leading people in the world and they know what to do but that's not true so back here to *the abomination of desolation* so here's what happens:

Verse 9: "*Even* the one whose coming is according to *the* inner working of Satan, with all power and signs and lying wonders, and with all deceivableness of unrighteousness in those who are perishing because they did not receive the love of the Truth, so that they might be saved" (vs 9-10). *Then God sends a powerful delusion upon them!*

Now let's come to Rev. 12 and let's see where it talks about this deception and what is happening in the world today and why there are so many problems in the world. We're going to also see a conflict in the heavens above the earth, and Satan is going to be cast down so that will be another thing that will take place within that last three and a half years, the Great Tribulation

Moderator: The alien invasion!

FRED: Yeah, the alien invasion; in a way *yes*, **but what they will think is the alien invasion will be the resurrection of the saints!** We'll get to that another time

Revelation 12:9: "And the great dragon was cast out, the ancient serpent who is called the Devil and Satan... [and every religion in the world starts with a serpent; goes back to Garden of Eden] ...**who is deceiving the whole world...**"

Now what we need to understand is that these prophecies of the end-time—and there are many, many of them—that all come together and come right to the point the finality of the return of Christ. ***It's the whole world!***

- that's why the world is upside down
- that's why everything is in the mess that it is in

"...he was cast down to the earth, and his angels were cast down with him" (v 9)—*and those were the*

demons! They were cast down!

Verse 13: "And when the dragon saw that he was cast down to the earth, he persecuted the woman who had brought forth the man-Child."

Now let's look at the Beast Power let's see the one who is going to be the King of the North, and he will head up ***the whole world governmental system*** that the elite are going to institute; *they will eventually get it in!*

Revelation 13:1: "And I stood on the sand of the sea; and I saw a beast rising up out of the sea, having seven heads and ten horns, and on his horns ten crowns, and upon his heads *the* name of blasphemy." *So, this is Satan's one-world government:*

- the elite
- the religious leader
- the business leaders

The whole system is there!

Verse 2: "And the beast that I saw was like a leopard..."

This is just describing some of the things the nations and the empires of the Old Testament being revived for this:

"...and his feet like *the feet* of a bear, and his mouth like *the* mouth of a lion; and the dragon [Satan the devil] gave him his power, and his throne and great authority" (v 2).

Stop and think about this for a minute! If you read in Matt. 4^[transcriber's correction] and Luke 4 when Satan was tempting Jesus, he said: '**IF** you will to bow down to me and worship me, I will give you all the kingdoms of the world, for they have been delivered to me, and I give it to whomever I will.'

This is ***complete satanic control of the whole world!***

Verse 3: "And I saw one of his heads as *if it were* slain to death, **but his deadly wound was healed...**"

That has nothing to do with Trump; Trump is going to bring in ***a time of relief*** and ***a time of law and order*** that's going to help us now. What I'm reading about is down the road considerably here.

"...and the **whole earth** was amazed **and followed the beast**" (v 3).

Look at that! ***The whole earth!*** This is not just a little something in the Middle East that's going to take place; the ***whole world*** is going to be involved in this!

Verse 4: “And they worshiped the dragon...”

That’s what it’s going to come down to with a one-world religion!

“...who gave *his* authority to the beast. And they worshiped the beast, saying, ‘Who *is* like the beast? Who has the power to make war against him?’” (v 4).

- that doesn’t fit Donald Trump
- that doesn’t fit what he’s going to do

So, this power has yet to arise!

Verse 5: “And a mouth speaking great things and blasphemies was given to him; and authority was given to him to continue *for* forty-two months.”

That’s three and a half years, and this is where the Great Tribulation starts right here:

Verse 6: “And he opened his mouth in blasphemy against God, to blaspheme His name, and His tabernacle, and those who dwell in heaven. And he was given *power* to make war against the saints...” (vs 6-7).

That’s what’s going to happen again to those who really believe in Jesus, those who are willing to die for the sake of eternal life! He’s going to come after them:

“...to make war against the saints, and to overcome them and he was given authority... [listen to how broad his authority is]: ...over **every tribe and language and nation**. And **all who dwell on the earth will worship him**, whose names have **not been written** in the Book of Life of the Lamb slain from *the* foundation of *the* world. **If anyone has an ear, let him hear**” (vs 7-9).

That’s the Beast Power! That’s the one! Now then, he has a partner it’s the *false prophet!*

What did the pope say today? *All people need to have their own religion!* **That’s the lie to sucker them into the one-world worship of the Beast Power!** Here’s about the false prophet:

Verse 11: “And I saw another beast rising out of the earth; and he had two horns like a lamb, but spoke like a dragon; and he exercises all the authority of the first beast before him; and he causes the earth and those who dwell therein to worship the first beast, whose deadly wound was healed” (vs 11-12).

I want everyone to understand that ***these prophecies are going to be worldwide it’s going to affect every single one in the world!***

We all don’t know exactly the time-length when those things are going to come, **but we better consider getting right with God and understanding how to get right with God!**

That’s why with the package of the special that we have, we have in there the book *Lord, What Should I Do?*

Notice what he does; this is the *false prophet!* Imagine this is the pope in his clothes, imagine the Beast Power standing next to him, and then here’s what the pope does:

Verse 13: “And he performs great wonders, so that he even causes fire to come down to the earth from heaven in the sight of men.”

Great power, great signs like we read in Matt. 24

Verse 14: “And he deceives those who dwell on the earth...”

- it’s ***the whole world***
- it’s ***the whole earth***
- it’s everyone involved

Not just some little prophecy of some little event over in the Middle East, this is worldwide!

“...by means of the wonders that were given to him to perform in the sight of the beast, saying to those who dwell on the earth that they should make an image for the beast, **which had the wound by the sword, yet, was alive**. And he was given power to give life... [that is actually a satanic spirit] ...to the image of the beast, so that the image of the beast also could speak; and he causes everyone who will not worship the image of the beast to be killed” (vs 14-15).

So, this is a time of great slaughter and a great battle! Now notice how it’s going to be:

Verse 16: “And he... [that is the first beast that we read about] ...causes **all**... [that means everyone everywhere] ...the small and the great, and the rich and the poor, and the free and the bond, **to receive a mark in their right hands, or in their foreheads**.”

That is coming! That could never have been done until this age, until the age of digital things that we have; all the digital banking and digital phones and instant communication, ***and have that mark in the right hand or in their foreheads!***

Verse 17: “So that **no one** ...”

- That’s ALL
- ALL the earth
- ALL the world

Verse 17: “So that **no one may have the ability to buy and sell...**”

Everything we do today is buying and selling! Think about what it’s going to be *when you can’t buy and sell!* How are you going to exist?

The way they have it with what they want to do with this digital banking system, it will end up that if they don’t like you, you don’t exist, and they will cut away your digital identification. They will take your money they will take your property and they will come and kill you *because you were serving the Lord!*

“...no one to have the ability...” means there is no power to buy or sell:

“...**unless he has the mark or the number of the beast or the name of the beast...** and his number is 666” (vs 17-18).

Now that is yet ahead of us, but all of that comes before the Great Tribulation. So, *these are the major events that are going to take place and it’s going to be something!*

Since I talked about the two witnesses, let’s come back over here to Rev. 11 where the two witnesses are.

There are people coming along and saying they’re the two witnesses. NO *they’re not!* The two witnesses **will be selected by God Himself** as we find in Zech. 3 & Zech. 4—*the two olive trees that stand before the Lord of the earth* (Zech. 4).

Revelation 11:1: “Then *the angel* gave me a measuring rod like a staff, saying, ‘Arise and measure the Temple of God...’”

That’s why it says back there in Matt. 24 ‘the one who reads let him understand,’ because the temple that was there was destroyed and it no longer exists. John knew that when he was given this prophecy here about the Temple of God. That’s why he said in Matt. 24 *the one who reads let him understand!*

“...and the altar, and those who worship in it. But leave out the court that *is* within the temple area, and do not measure it because it has been given *up* to the Gentiles; and they shall trample upon the Holy city *for* forty-two months” (vs 1-2)—*three and a half years!*

At that time, at the beginning of the 42 months, same time that the *beast* is raised from the dead, the two witnesses come on the scene and God says:

Verse 3: “And I will give *power* to My two witnesses, and they shall prophesy a thousand two hundred *and* sixty days, clothed in sackcloth.”

Nothing’s going to happen until this occurs!

Verse 4: “These are **the two olive trees...** [as I spoke of in Zech. 3 and 4] ...and **the two lampstands that stand before the God of the earth.**” *Personally chosen by God!*

- no man is going to appoint them
- no man is going to select them
- ***God is going to raise them up Himself***

Now notice what power they will have now

Sidebar: Two witnesses goes back as a foretype; Moses and Aaron going before pharaoh back in Egypt at the time of the Exodus. They were two witnesses against pharaoh and all the plagues that came was because God gave the power to Moses to call the plagues down.

Verse 5: “And if anyone attempts to harm them, fire will go out of their mouths and devour their enemies....”

Think about this two men standing against the Beast Power and the *false prophet*, and they can’t get rid of them! Every time they try to get rid of them, fire comes out of the mouth of one of the two witnesses and they are killed.

“...For if anyone attempts to harm them, he must be killed in this manner. These have authority to shut heaven so that no rain may fall in *the* days of their prophecy; and they have authority over the waters, to turn them into blood, and to smite the earth with every plague, **as often as they will**” (vs 5-6).

This is going to be a terrible thorn in the sight of *the beast* and the *false prophet!*

Verse 7: “And when they have completed their testimony, the beast who ascends out of the abyss... [that’s Satan the devil] ...will make war against them, and will overcome them, and will kill them. And their bodies *will lie* in the street of the great city, which spiritually is called Sodom and Egypt, where also our Lord was crucified” (vs 7-8).

Right there! Again, look at the word **see** ; they shall see their bodies, instant communication, instant video!

Verse 9: “Then those of the peoples and tribes and languages and nations shall see their bodies three and a half days, for they will not allow their bodies to be put into tombs. And those who dwell on the earth will rejoice over them, and will make merry, and will send gifts to one another, because these two prophets had tormented those who dwell on the earth. Then after the three and a half

days, *the* spirit of life from God entered into them and they stood on their feet; and great fear fell upon those who were watching them. (vs 9-11).

Verse 12: “And they heard a great voice from heaven, say, ‘Come up here!’ And they ascended into heaven in a cloud; and their enemies saw them *rise*.”

Those are the first two resurrected and the first resurrection is when *that seventh trump is blown!* We can pick that up at another time and carry on with it because there are a lot of prophecies involved!

Moderator: I’m looking forward to that day
